

NHS Scotland Global Citizenship Champions and Peoples Network

Global Citizenship Champions

- Actively engaged in global health work
- Recognise the benefits both to themselves and NHS Scotland
- Keen to share ideas, experiences, difficulties, practical solutions...
- Advocates for global citizenship

The People Register

- Interested in pursuing global health work, but no (or limited) experience
- Opportunities to hear about local or National networking and information events
- Can identify champions within their board as a first port of call for further information

The Vision

Global Citizenship Champions

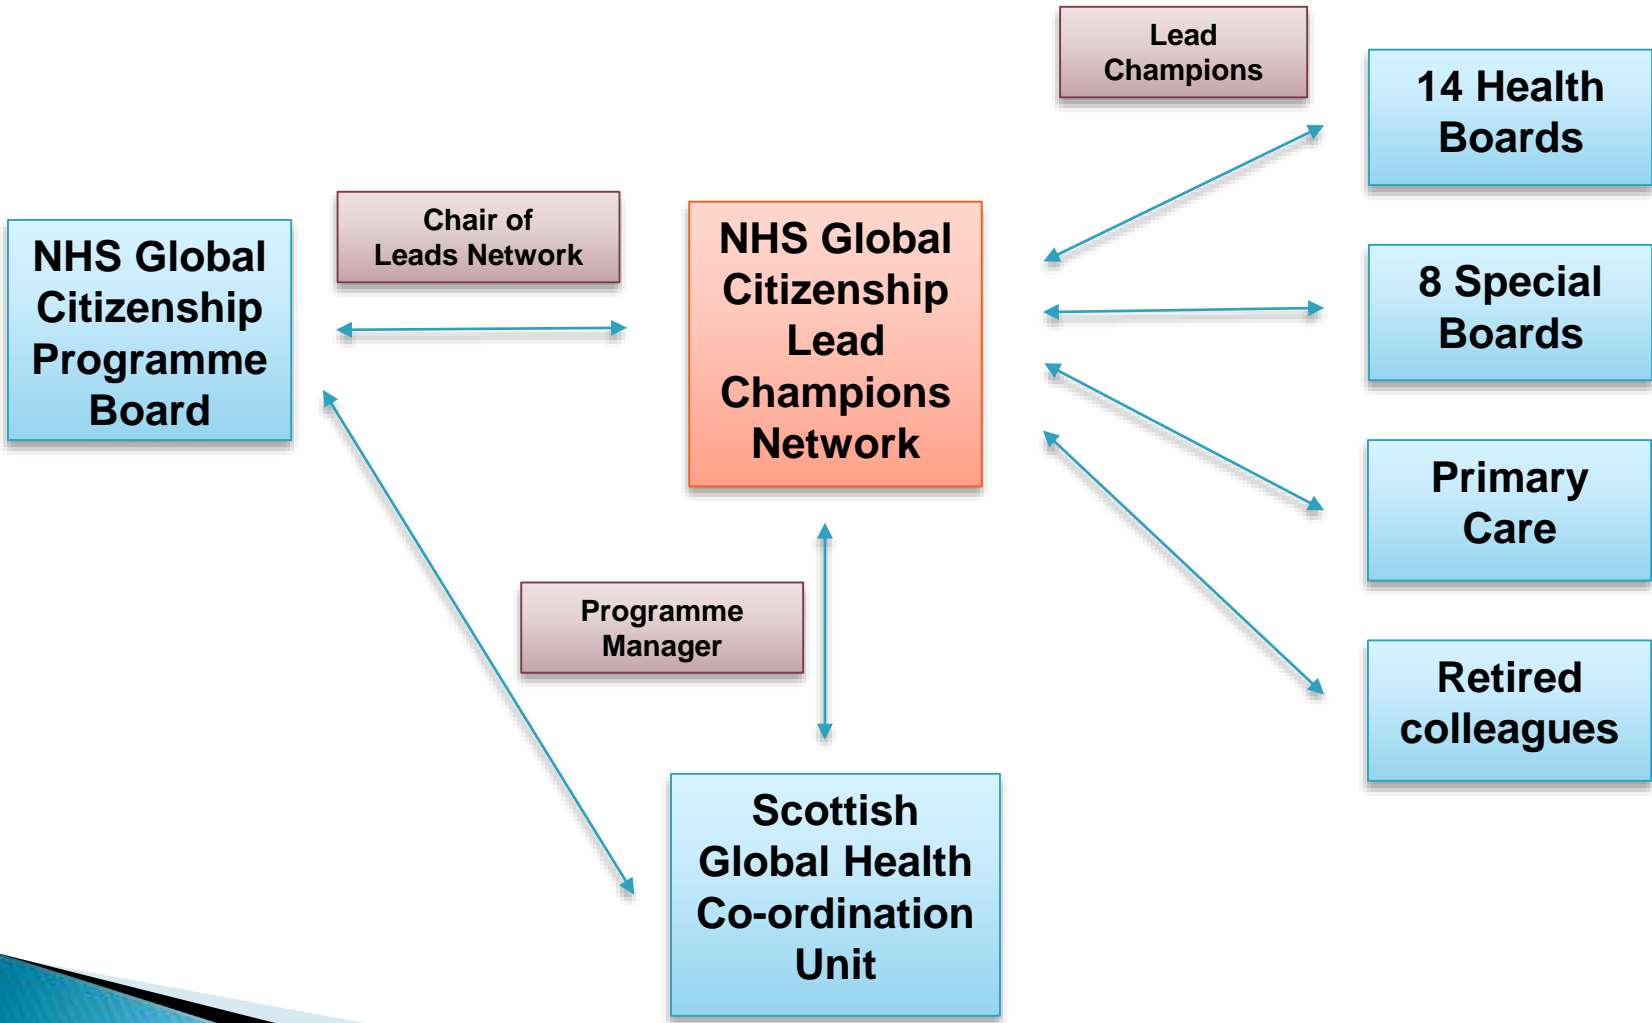

- Actively engaged in global health work
- Recognise the benefits both to themselves and NHS Scotland
- Keen to share ideas, experiences, difficulties, practical solutions...
- Advocates for global citizenship

The People Register

- Interested in pursuing global health work, but no (or limited) experience
- Opportunities to hear about local or National networking and information events
- Can identify champions within their board as a first port of call for further information

Provide a framework which will enable, encourage and support global citizenship

Structure and communication

The conversation so far...

- ▶ June 2018: First lead champions network meeting
 - Context/background, roles and remit
 - Initial workstreams discussion
 - Scottish Global Health website review
 - Conference planning
- ▶ September 2018: Second lead champions network meeting
 - Insights into health mapping work
 - Kit and equipment project
 - Air travel discount update

The future

- ▶ Local networking events within the boards
 - NHS Tayside December 2018: Mary.Colvin@nhs.net
- ▶ Providing practical support to leads, encouraging local engagement within boards, feedback from champions
- ▶ Celebration of successes and sharing good practice
- ▶ Identify barriers to global citizenship within NHS Scotland ...and be part of the solution
- ▶ Continuing conversation with the programme board
