Progress in the NHS Scotland Global Citizenship Programme

Mike McKirdy
Professional Adviser
SG International Development Vision

“Embedding the Global Goals, Scotland will contribute to sustainable development and the fight against poverty, injustice and inequality internationally”
Contribute to the wider Scottish Government International Development Strategy, in particular the commitment to **support capacity strengthening in the area of health** in our partner countries.

Support and encourage NHS staff to participate in global health work both here in Scotland and abroad.
Benefits of Global Health Work

Benefits to Individuals:
- Clinical skills
- Communication and teamwork
- Leadership and management skills
- Reputational development
- Improved Scottish patient experience
